Fisher/Modern Day Witch Hunt Research Project

Research is not meant to be easy; however, at the same time, it is not meant to be impossible. Research should be challenging and require work. Research requires the student to search, find and utilize MULTIPLE valid and credible sources and information to prove a point. The resources provided below provide valid and credible resources.

*WARNING* Searching the open web for your sources can lead to unsound sources. Unsound sources can be and most likely will be considered worthless by the instructor.

- **Biography in Context**
  Still looking for a person you use in your paper? Use BIC to find biographical information and links to further resources on your topic/person.

- **Gale Student Resources in Context**
